August 2018

Hello dear friends,

We hope you are well and enjoying summer. We certainly are, although it may be completely different setting. Kids have got 2 months holiday from school and we sent them to a Christian summer camp for a week.

Just to recap what happened since **the visit of Go Team** from Watford In March.

It was great to have pastor Tim Roberts with Fernando and Rory visit us this March. Not only great conversations and a lot of encouragement and support, but also a lot of fun as we had an opportunity to organise a day of team-building for all the pastors, elders and key workers from all our locations. Theme was UNITY of men and women in ministry.

**15.4. was "Sunday with Fathers"** – in all of our 4 locations we invited speakers who faithfully served the Lord for several decades, even before many of us were even born. They shared their hearts and testimonies of God's faithfulness.

**4.-5. May we had our annual womens conference FIESTA** – this year with very special guests – Helen Roberts – who came to Slovakia despite her torn Achilles tendon, and Nikki Williams. It was a time of refreshing of our faith and stretching out for more.

**4.-6. June "I love my city"** – 3 days with Jonathan Conrathe and team of his interns. The first evening was training and teaching for people from our church to be equipped and strengthen for street outreach. Then we spent two days in the town evangelizing and praying for people. Many were touched by the love of the Lord and some sick healed on the spot. This is exactly what this hurting world needs and Christ's church must go in His footsteps in reaching out. We purchased a 6x12metres big tent to be able to have more public services right on the town square. **CHURCH IN THE CITY!** Stepping out of the comfort of being hidden by the four walls is not easy, but we are on the way. We hope for few more Sunday services out on the main square. We believe in sharing our faith with our neighbours. How will they believe, if we who know Him, would not tell them?

## Things to come

Soon and very soon – our dear friends Fernando and Lucia with their son Samuel are coming to join our vision to bring the good news to the kids of Zlaté Moravce. They are willing to give their time, energy, talents and help us with kidscamp SUPERHEROES (30<sup>th</sup> July -5<sup>th</sup> August). The heart behind this is to give a great time to the kids, lot of fun and laughter, but also bring them a message about the Superhero of all times – Jesus Christ, who sacrificed His own life, so we can live.

Please join us in prayers for this camp, for Llano family, for the whole team, for the children who don't know Him yet and also our church kids, so we will be able to know the Lord better and experience His love.

*"The Lord bless you and keep you; The Lord make His face shine upon you, And be gracious to you; The Lord lift up His countenance upon you, And give you peace."*

We thank you for standing faithfully with us, praying for us and supporting us in this work...

We pray for God's blessing for you and your families and the church. May you be blessed and be a blessing to many others in Watford and throughout the world.

With love, **Michal, Lubi, Cristian and Nikki Kluciar**
